We would like to thank Graduate Teaching Assistants Sarah Stoffels and Kaden McSpedden, and drum majors Destyne Anderson, Erika Stutzman, and Londin Hine. All of these students have worked so hard to make "The Pride of the Great Southwest" marching band and the Symphonic Band a great success this fall.

We would like to thank our Tau Beta Sigma and Kappa Kappa Psi chapters for their incredible dedication and service to our bands at SWOSU. These are wonderful students who volunteer large amounts of time and effort to help keep the band program running smoothly. We would not be able to have such a great band without their generosity and commitment to our program.

We would also like to thank Harold Greb and the staff for the Fine Arts Auditorium. They do a wonderful job of managing all the technical aspects of our performances including sound, lights, online video streaming, recording, and a myriad of other things that make performing music at SWOSU a great event every time.

A special thank you to Rhyesa Hamilton for all the work she does in the Fine Arts office for all our ensembles, but especially the marching band and symphonic band students and staff. She does such a great job making sure everything runs smoothly and keeps us on track!
